About GPCOE

Harmal Panchakrashi Shikshan Mandal (HPSM) is a non-profit society, actively involved in imparting quality education to students hailing from different parts of Goa for more than four decades. Harmal Panchakroshi Shikshan Mandal intends to focus on creating quality teachers for the future. HPSM's Ganpat Parsekar College of Education endeavors to offer integrated four-year Programme in Bachelor in Science (B.Sc.) or Bachelor of Arts (BA), with Bachelor in Education (B.Ed.). College is located at 22 Km from Mapusa town at Harmal in Pernem Taluka of Goa. It is far away from the hustle and bustle of city life, situated in the vicinity of hills and meadows. The ambience offers an ideal setting to nurture students in terms of their heads, hands and hearts.

About the Conference

- ★ The scenario of Education in India will see an immense revamp following the full implementation of NEP. This conference is a stepping stone towards achieving the much required expertise and information.
- ★ This conference aims at developing the foundation knowledge of the importance and application of recent technologies in the field of Education.
- ★ This conference would be a good opportunity for B.Ed students from across the state to understand education-based employment avenues such as content creation for educational companies, Game-based assessment, Online coaching centres/ remote teaching, Generation of Audiobooks, and technology-based educational facilitators.
- ★ The conference is designed to give opportunity for Edu. Tech startups to share their services and expertise with participants and students.
