Were the student-teacher (Tr. teacher) disciplined?

responses

- Yes
- No

Questions from Headmasters to make our internship more productive .

Increase the internship period upto 1 month

You should have sent team of 2 trs to make it more productive

Request not to send the Stu during exam because we can't give them enough time for activities

NA

Coordinate with all the existing staff

Visit by faculty

Prior to internship requirement certain books the student have to read.

Feedback from headmasters about the overall performance of the student-teacher)

They were very co-operative, attended staff meetings, gave suggestions during the me  
trained students to different activities. They were eager to get the opportunities to perform

Good. Her coordination with our trs was good

Very good active and cooperative teachers

Internship is best medium to get access to the world of education. This will surely help  
develop and understand the professional approach towards the career. Your student  
kind, humble and passionate to do hard work. Thank you for choosing our school for  
internship.

Good

Students were outstanding, positive attitude towards any work assigned.

Sincere and honest toward their duties as they have chosen this field as a mission.
