1	Ms. Namrata Khorje (Incharge- Department of Mathematics)
2	Mr. Suraj Parmekar (Department of Mathematics)
3	Mr. Soham Ashvekar (Co-ordinator - Department of Mathematics)

Details Of the program:

As an extension of annual field trip, the Department of Mathematics organized Field trip for Mathematics students of F. Y B. Sc B. Ed (PCM), S. Y B. Sc B. Ed (PCM), T. Y B.sc B. Ed (Mathematics) and Fo. Y B. Sc B. Ed (Mathematics). The workshop aimed to provide students with valuable insights into the importance and application of mathematics as well as to make them aware about various career opportunities in the field. The visit included a series of three talks, each lasting approximately 30-45 minutes:

- Importance of Mathematics by Dr. Saurabh Trivedi
- Pick's Theorem by Dr. Shiv Parsad
- Opportunities in Mathematics by Dr. Sandipan De

Students gained a deeper understanding of the importance of mathematics in various fields. They learnt about Pick's Theorem and its applications in geometry. They were informed about various opportunities in mathematics, including research and career prospects. The talks were well-received by the students, who showed enthusiasm and interest in learning more about mathematics. The speakers provided valuable insights, examples, and applications, making the talks engaging and informative. After the event, lunch was served in the Hostel Mess, providing an opportunity for students and faculty members to interact informally. The students and faculty members from Ganpat Parsekar College of Education expressed their gratitude to IIT Goa for hosting the visit. They appreciated the informative talks and the opportunity to interact with IIT Goa faculty members. The visit was a successful event that provided students with valuable insights into mathematics and its applications. We hope that this visit will inspire students to pursue mathematics and related fields. Following the visit to IIT Goa, the students and faculty members proceeded to the Science Centre Goa, where they explored various exhibits and interactive displays. This visit further reinforced their interest in science and mathematics.
