**Type of event**: Pi Day

**Date**: 15<sup>th</sup> March 2025

**Mode**: Offline Mode

**Venue**: Maths Classroom (F3)

**Time**: 9.30 AM to 4.30 PM
**Resource Person**: Dr. Jervin Zen Lobo

**Objectives of the events**:

- To create awareness about Pi Day.
- To expose students to various applications of "SAGEMATH" software.
- To help students understand and visualize various concepts of calculus graphically.

**Target Participants:**

- T. Y B. Sc B.Ed. (Mathematics)
- Fo. Y B. Sc B.Ed. (Mathematics)

**Organizing body**: Department od Mathematics

**Members of Organizing body**:

## Details of the Program:

As a part of our Pi Day celebration, the Department of Mathematics organized a workshop on "SAGEMATH" for Mathematics students of T. Y B.Sc.B. Ed. and Fo.Y B. Sc.B. Ed. The workshop aimed to introduce important concepts of calculus in new broadlight using SAGEMATH software. The program commenced with formal welcome by Ms. Sweta Morajkar, followed by Mr. Suraj Parmekar introducing the esteemed speaker, Dr. Jervin Zen Lobo. The Principal then addressed the gathering, emphasizing the significance of the sagemath software and presented a memento to Dr. Jervin Zen Lobo. The workshop started with the introduction and installation to SAGEMATH by Dr. Lobo. He then explained basic operations and calculations on SAGEMATH calculator, followed by graphing, visualization and solving equations and inequalities. The workshop was well received by the participants, who showed enthusiasm and interest in learning sagemath. The four hands-on sessions of 1 and half hour each, helped participants to understand deeply the basics of sagemath and its application in understanding concepts of mathematics. Following the workshop, an interactive question and answer session allowed students to clarify their doubts and deepen their understanding. The workshop achieved its objectives and the participants expressed their desire to explore sagemath further in their academic pursuits. While concluding the workshop, two of the students Mr. Jitu Hulmani and Miss. Supriya gave their feedback with Jitu highlighting constant energy of Dr.Lobo throughout the day while making each concept interesting while Supriya talked about how engaging the workshop was. The event concluded with a formal vote of thanks delivered by Mr. Soham Ashvekar.

## FEEDBACK ANALYSIS - ONE DAY WORKSHOP ON SAGEMATH

| Timestamp | The resource person's delivery was clear and understandable. | The demonstrations of calculus concepts in SageMath helped me visualise abstract ideas more clearly. | The software is easy to use, and the syntax is intuitive for those familiar with Python programming. | I want to be a part of such workshops in the future. | Any suggestions. |
