Report on TLET Cell MOOC's Courses (January 4, 2025 to March 04, 2025)

Introduction

The TLET (Teaching, Learning, and Educational Technology) Cell of Ganpat Parsekar College of Education, Harmal- Goa created a series of MOOCs (Massive Open Online Courses) during the A.Y.2024-25. These courses, organized by various departments, attracted a significant number of participants, reflecting their relevance and the quality of content provided.

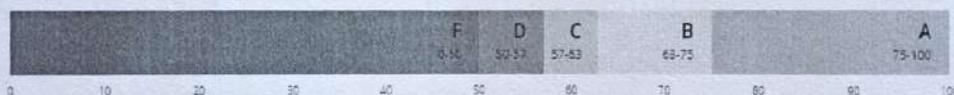

The platform for hosting the various MOOCs was provided by Ramanujan College – Delhi on their RC-MOOCs platform.

Each MOOC course was divided into modules, with a minimum of 6 and a maximum of 10 modules. Each module included four quadrants: Summary, Video, Discussion, and Assessment. The duration of each course was two weeks. At the end of all the modules, a final quiz was administered, and one assignment was given for completion.

Assessment Pattern for Each Course:

- Quiz After Each Module: 30% Weightage
- Final Quiz: 50% Weightage
- Assignment: 20% Weightage
- Passing Cum Certificate of Completion: Above 50%

Grading Pattern Followed:

All the MOOCs were developed in-house, including video recordings and editing. The TLET Cell also monitored the progress, discussions, and assessments of each course.

This report details each course, its objectives, content, and the number of students who completed the courses.

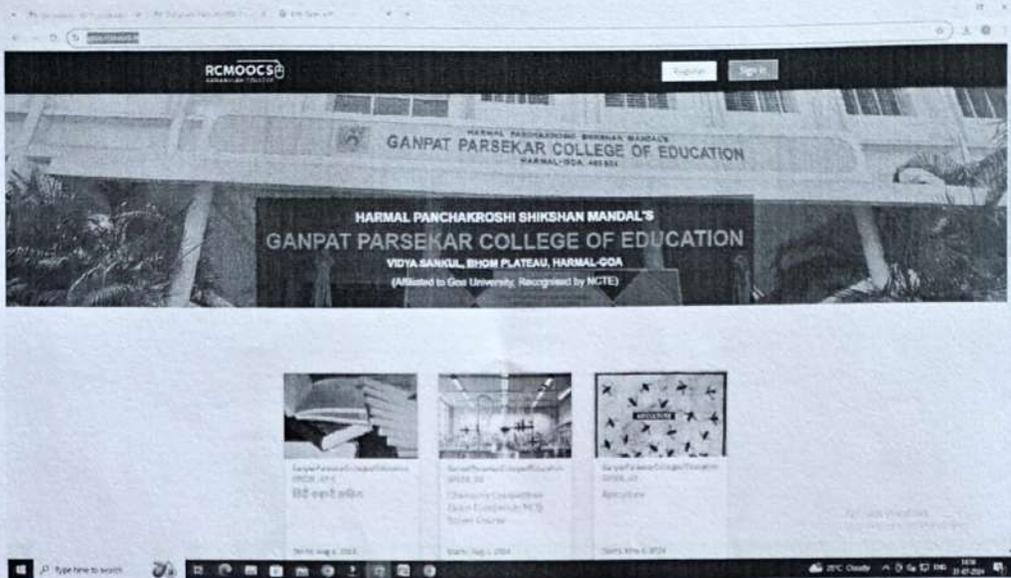

The courses created were as follows:

- 1) Apiculture
- 2) Indian Knowledge System (IKS): Vedic Education System
- 3) Exploring Ethnomedicinal Heritage in Villages of Goa
- 4) Introduction to Research Methodology in Geography
- 5) Goa's Traditional Occupations
- 6) साहित्याचे माध्यमांतर (Translation of Literature)
- 7) Exploring Ethnomedicinal Heritage in Villages of Goa
- 8) Introduction to Research Methodology in Geography
- 9) Goa's Traditional Occupations
- 10) हिंदी कहानी साहित्य
- 11) Chemistry Competitive Exam Excellence: MCQ Solver Course
- 12) Elementary Combinatorics
- 13) Empowering Verses: Exploring Feminist Narratives in Indian and American Poetry
- 14) Everyday Physics with Demonstrations

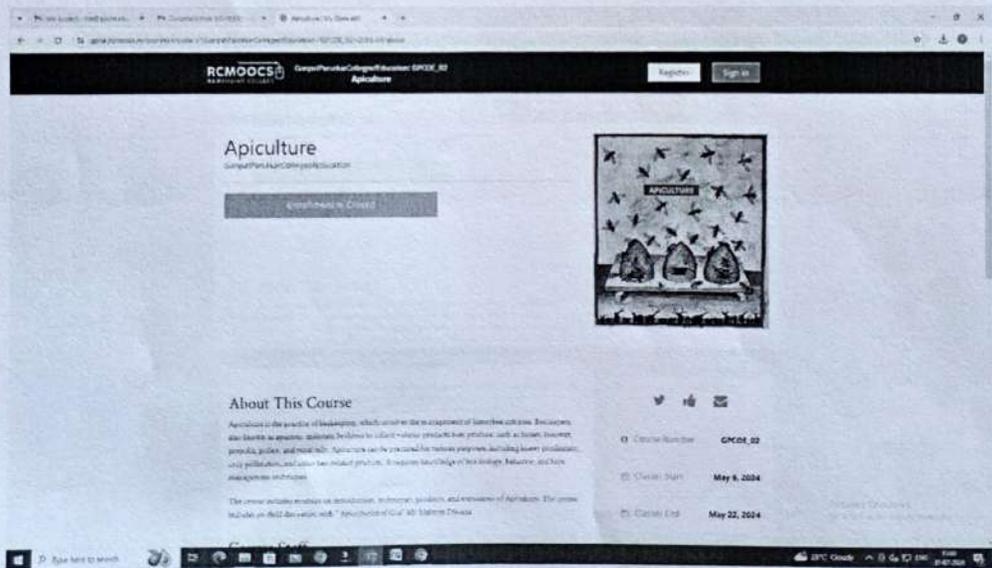

During the academic year, the TLET Cell successfully developed and launched 14 MOOC courses comprising a total of 96 educational videos. A significant emphasis was placed on the video editing process, which was meticulously carried out by the dedicated TLET team to ensure high-quality, engaging, and learner-friendly content. From conceptualization and script development to shooting and post-production, every stage was managed in-house. The refined video content was then hosted on the RC-MOOCs platform in collaboration with Ramanujan College, Delhi, making the courses accessible to a wide range of learners. The professional editing work played a crucial role in enhancing the overall learning experience and maintaining consistency across all modules.
